El Dorado Kitchen: Private Dining Options

Bridge Table 22 seated / 0 reception

This long, solid oak table was created from a bridge built in Vermont in 1810. It is the focal point in the heart of the restaurant, offering full views of the exhibition kitchen. It's the favorite dining spot to see and be seen, and ideal for close family & friends.

Spain Street 40 seated / 0 reception

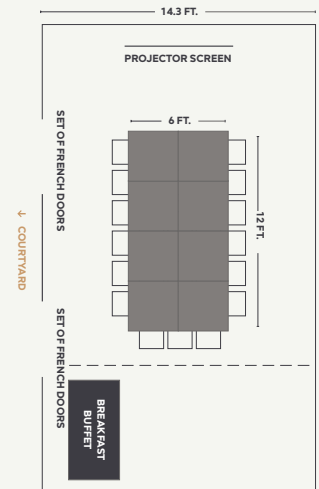

This location is in close proximity to our exhibition kitchen for the foodie that likes to watch the action. A semi-private portion of our dining room is filled with light during the day from a span of mullioned windows along West Spain Street.

Add the bridge table for additional seating!

Private Dining Room 30 seated / 30 reception

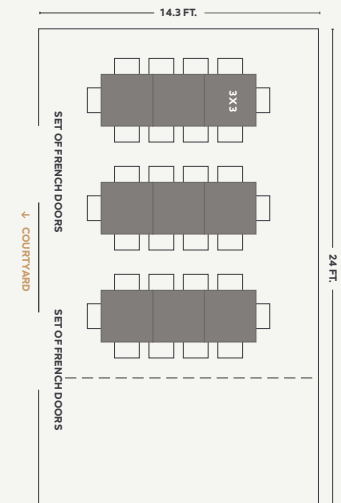

This space is also ideal for meetings of 8-15 guests

This casual, yet sophisticated room is the ultimate location for exclusive parties. The spaces' French doors allow a view onto the stone courtyard patio with a glimpse of the pool in the distance. Frosted glass doors provide added seclusion from the restaurant for your gathering.

The room's high, boxed-beam ceiling features a glimpse of the El Dorado circa 1865, where a portion of the original adobe structure is visible. With a view of Sonoma's Plaza & French doors that open onto the stone courtyard patio, it's a favorite for more intimate gatherings.

FIREPLACE LOUNGE & FIG TREE COURTYARD RECEPTION

Four 6 feet diameter round tables for 40 people.

Outdoor Event Space Options

Courtyard Patio

Full courtyard with fireplace lounge and fig tree courtyard:

160 seated / 170 reception or 100 seated dinner & reception

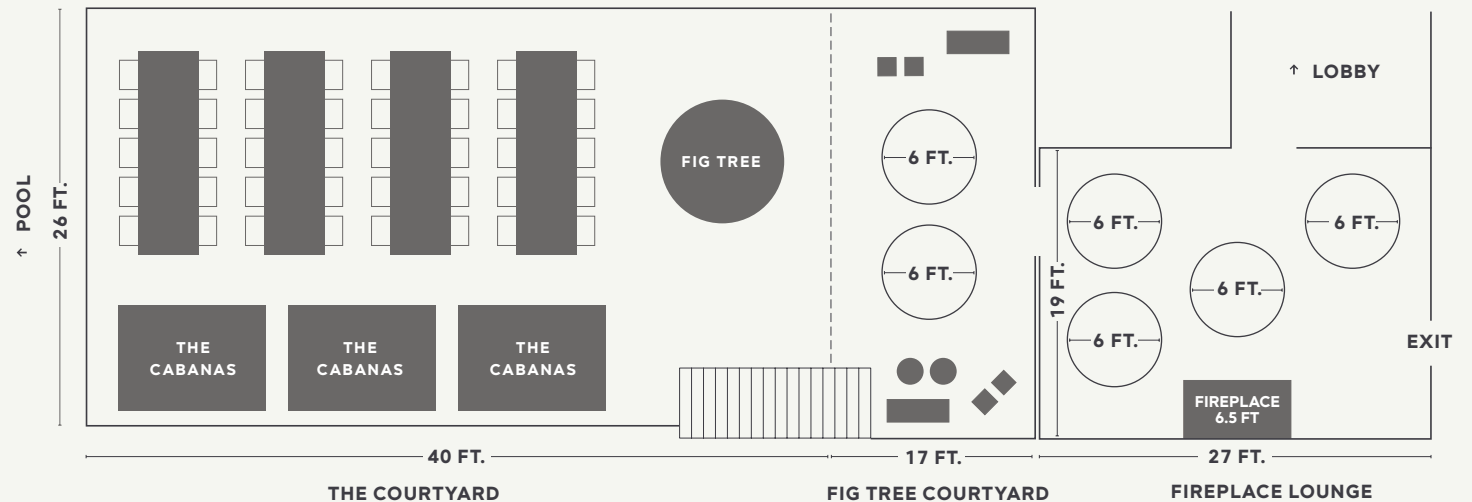

Our inviting stone courtyard is surrounded by wisteria draped balconies, with the oldest fig tree in Sonoma as the center piece for this comfortable, sunlit location by the pool. Large umbrellas and semi private cabanas enhance this unique setting. Perfect for a wedding reception, rehearsal dinner or a birthday celebration on a warm summer night under the clear, star-filled sky. The courtyard is our most versatile location, offering partial courtyard, inside, & outside capabilities.

Fig Tree Courtyard

+20 seated / +40 reception

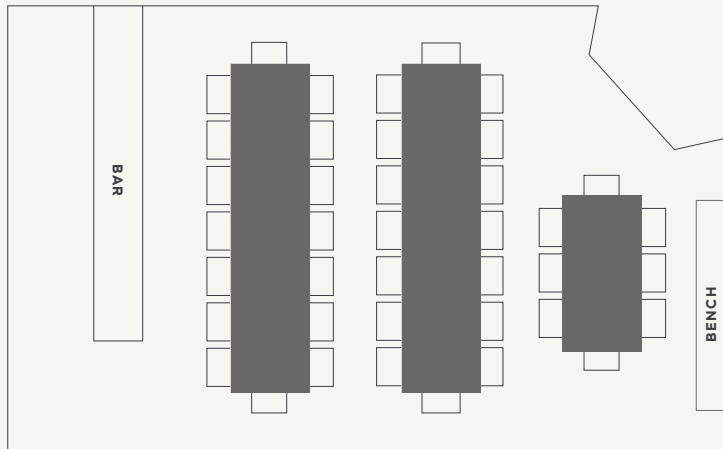

This courtyard is a welcoming addition to the Fireplace Lounge. With the French doors opened, the Fig Tree Courtyard is a beautiful space to host a reception prior to being seated for dinner, post dinner toasts or additional seating for up to 20 guests.

Wine Bar

40 seated / 50 reception

Our corner-facing Wine Bar is a fully-private space with ample light looking out over the Square. The room is able to be set up in rounds, a long banquet or for a standing reception. French doors can be open or shut, depending on the need of the event. Our back wine wall bar area also allows for reception platters and/or bar service. Design details including an original glass paneled window treatment over the door frame and subtle window shades lend to creating just the right mood.
